MISSION PRAYING PARTNERS

Mission Praying Partners is a Non-Profit Organisation formulated to bring awareness of the Love and kindness that the Lord Jesus Christ intended us to have. It is also geared to seeing lives transformed and souls won for the Kingdom of God. Our Purpose at Mission Praying Partners is to provide prayers and support to everyone and to bring about positive change that would impact persons, one day at a time.

SNACKS 4 KIDS

This initiative started on the heels of the 2021/2022 school year's opening. Many children are in need of snacks, meals etc., and have no access to any, for various reasons.

This initiative is designed to support families that register for assistance where snacks are concerned for their children. Initially, this program was set forth to assist at least 75-100 children, which will in turn help families throughout the community and positively impact the territory.

During the 2021/2022 school year, 40/40 children were blessed with at least 3-months' worth of snacks!

Ensuring that children have snacks/food for school (and outside of school as well) is quite important! They are our future! Please join us and support this initiative!

WITH YOUR HELP 100 CHILDREN CAN HAVE SNACKS!

Aim:
Assist 100+ Kids with Snacks for the
2022-2023 School Year (300 days)!

Goal: Raise \$16,285.00

MEET THE FOUNDER

Sharie-Ann M. Stapleton

Founder of Snacks 4 Kids

Sharie-Ann believes that if a person is in need, and you can help, then help.

Surely it is a blessing to give to those in need. When Snacks for Kids was created, Sharie-Ann's passion to see kids be blessed was quite apparent as she pushed to have the initial goal of 75 met. Forty children received snack bags and it was quite exhilarating.

Many kids are most times in need of snacks, meals and so forth, but have no access to any. This programme has been set forth with children, their lunch bags, nutrition, health, and seeing their vibrant smiles in mind! The goal of helping at least one hundred children, with one school term worth of snacks, will in turn help families throughout the Territory.
